In response to your notice dated April 17, 2003 regarding additional information for our Mid-Year Report (1/1/2001-6/30/-2001), we have submitted an amended report. Our amended report fixes the following problems. □

□

- Upon review of the last amendment, there were several contributors over \$200 that were missing either their employer or occupation, but not both. This missing data was missed by the validating software of FECFile, however our amended report provides this additional information.L

□

- Our correction of a depositing error of \$15,000 on 4/25/2001 to "Travis County Democratic Party- State" was incorrectly reported on schedule H4 instead of schedule B, line 29. This error was corrected in our amended report.C
